Gridded Items

How many lines are typically in a sonnet?

Answer

	1	4
0	0	0
1	**1**	1
2	2	2
3	3	3
4	4	**4**
5	5	5
6	6	6
7	7	7

With a gridded response item, either click the correct bubble or type in your answer.

Hotspot Items

On some items, you may be asked to click the correct area or areas on an image.

Click the city of San Francisco.

Drag and Drop Items

When instructed to do so, drag answer choices into different containers to indicate your answer.

Drag the word to its definition.

The same letter or sound at the beginning of adjacent or closely connected words	A word of phrase is applied to an object or action to which it is not literally applicable	The comparison of one thing with another thing of a different kind

Place your answer(s) **inside** the containers below

Simile	Alliteration	Metaphor

Keeping Track of Progress

Tests that are timed will have a timer in the top right. Be sure to monitor how much time you have left.

The box in the bottom left displays your progress.

Troubleshoot Internet Problems

Alert your teacher if you see this symbol on your screen:

The system saves responses whenever you navigate between questions.

Troubleshoot Internet Problems

- If at least one of your open response answers could not be saved, the page displays a warning

- Save responses to the system clipboard and then submit the test if you can

- If you still can't submit the test, sign back in and paste in your work from the clipboard

Test Response Summary

Now is your chance to go over and double check your answers before the test is graded.

Warning: Some answers may not have saved properly. Please click here to copy your answers to the clipboard.

Pausing or Exiting a Test

If you must exit the test for any reason, click **Pause** at the bottom of the screen.

You will be prompted to click either **Exit Test** or **Return to Test**.

Review and Submit

Use the Test Response Summary page to access unanswered or flagged items.

Test Response Summary

Now is your chance to go over and double check your answers before the test is graded.

Warning: You have 1 unanswered and 2 flagged question(s).

1. Answered	2. Answered 🚩	3. Unanswered 🚩	4. Answered
5. Answered			

Be sure to submit your test when you are done.

❚❚ Pause | ‹ Return to Test | ✔ Submit Test

Confirm Your Submission

Are you sure you want to submit the test to be graded?

Yes   No

Close the Test

Your test has been submitted.

Close Test

Review Your Results

- Depending on the test settings, you may see your results when you submit the test

- Note that points for any open response questions are not yet included; your score is not final until those items are graded

- If item-by-item results are made available to you, access them on the same screen where you entered the online test passcode
